I have the honour to state that the Town Municipal Council, Mulbagal, have at their meeting held on 30th June 1942 resolved that the pay of the Municipal Clerk may be revised to 25-1-40 to be in conformity with the scale of clerks of other Municipal offices and Revenue Department so as to facilitate exchange of experienced clerks At present the post carries a pay of Rs 20-1-25 and this has prevented the interchange of officials from one place to another and the posting of experienced clerk to cope with the work of a Town Municipal Council, like Mulbagal During my inspection of this Municipality during 1941-42 it was noticed that the office work was sadly neglected and this was attributed to the fact that experienced clerks of other municipalities or Revenue Department could not be posted to that Municipality for want of the same grade of pay It is absolutely necessary to revise the scale of pay of the clerk of this Municipality

Government Order No L 811-821/M 16-35-82 dated 25th July 1936 authorises the entertainment of two clerks one on Rs 25-1-30-1-40 and one on Rs 20-1-25 in case of Municipalities of III Class with an annual income of over Rs 10,000/- Mulbagal Municipality comes under the above class as its annual normal income exceeds Rs 10,000/-, as noted in the margin Though the Government Order authorises the entertainment of two clerks, in view of the slender resources of the Municipality, only the revision of pay of the existing Clerk is proposed I request early sanction thereto

Normal income during		
1939-40	Rs	11,294/-
1940-41	"	10,934/-
1941-42		8,677/-
Average normal income per year	Rs	10,331/-
